More bins, less landfill, better Brisbane: Lord Mayor

More than 170,000 Brisbane households are already using green bins to recycle garden waste, diverting over 43,000 tonnes from landfill every year.

From August, we're making it even easier by providing a green waste bin to every eligible home that wants one.

Whether you're mowing the lawn, trimming hedges or disposing of palm fronds, you'll have a dedicated bin to keep green waste out of landfill and turn it into compost instead.

This rollout will also help households offset the rising cost of the Queensland Government's waste levy bin tax.

It's another practical way we're easing cost-of-living pressures, backing our suburbs, and keeping Brisbane clean, sustainable and Australia's lifestyle capital.

Lord Mayor's Safer Suburbs Grants are open

We're helping local sports and community clubs improve security around their premises with the second round of the Lord Mayor's Safer Suburbs Grants.

In the last round, 69 clubs across Brisbane, including Kenmore Districts Rugby Club, received grants of up to \$10,000 to pay for new security and safety measures such as:

- ♦ security screens
- ♦ locks
- ♦ CCTV cameras
- ♦ alarm systems.

The second round of grants offers funding to not-for-profit clubs leasing Council facilities.

To find out more, search 'Lord Mayor's Safer Suburbs Grants' on our website.

Get the most out of your green bin

Our citywide rollout of green bins is underway.

Make the most of our green waste collection service with our top 5 tips.

- ♦ **Know your collection day:** Green bins are collected fortnightly. Use the Brisbane Bin and Recycling app to check your collection schedule and set reminders so you never miss a pick-up.
- ♦ **Plastic bag free:** Always place green waste directly into the green bin – no plastic bags, even if they're labelled biodegradable or compostable.
- ♦ **Trim it down:** Cut larger branches or palm fronds so they fit easily in the bin and the lid can fully close.
- ♦ **Watch the weight:** Garden waste can get heavy. Avoid overloading your bin or placing unacceptable materials, such as soil, rocks and stones, to ensure it can be safely collected.
- ♦ **Stick to garden waste:** Only put plant material in your green bin – no garden hoses, plastic pots, potting mix bags, or other non-organic items.

Go to our website and search 'green waste recycling service' for more information.

Light at the end of the Adelaide Street tunnel

Brisbane's bus network will get a massive boost when the Adelaide Street tunnel opens soon.

The new tunnel will provide a dedicated link between the Inner Northern Busway and South East Busway to keep more than 1,300 metro and bus services moving every day.

Located under one of Brisbane's oldest and busiest inner-city streets, the 225-metre tunnel is crucial to reducing congestion in the CBD and keeping Brisbane moving.

We're currently putting the tunnel through its paces, testing and commissioning communication networks, ventilation and lighting.

Construction on the tunnel started in 2021 using an innovative drilling and mining approach that allowed works to continue 24/7, as little as 3 metres under the surface of Adelaide Street.

The Adelaide Street tunnel is all part of our plan to keep Brisbane moving.

More clearway reviews to keep Brisbane moving

We're making it easier for you to get around sooner and safer as part of the Brisbane Clearway Action Plan.

We're looking at how we can make better use of existing roads during busy periods to keep traffic moving at three key locations:

- ◆ Abbotsford Road, between the Inner City Bypass off-ramp and Bimbil Street
- ◆ Bowen Bridge Road-Lutwyche Road, between Gregory Terrace and Kedron Park Road
- ◆ Wynnum Road, between Junction Road and Belmont Road.

Our aim is to find ways to use road space more efficiently during peak travel times, helping to reduce delays and improve safety for all road users.

For more information, search 'Brisbane Clearway Action Plan' on our website.

Celebrate PlatyMonth!

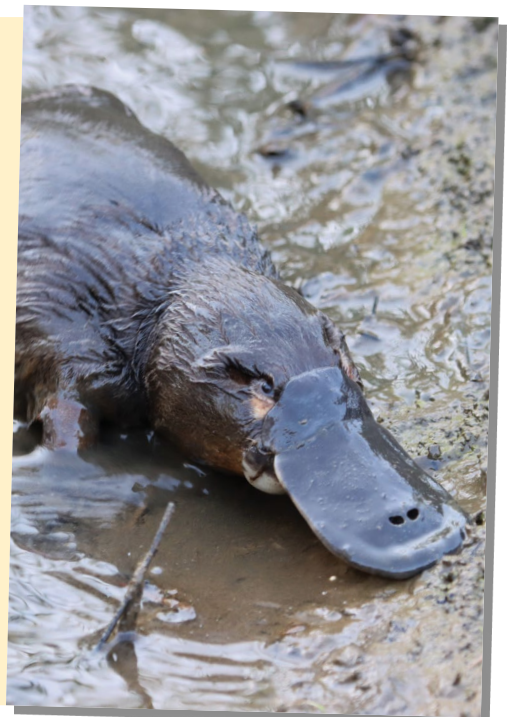

September is PlatyMonth, a special time to celebrate these unique creatures.

Join Bush Kindy sessions for a fun Kamishibai story about Pickles the Platypus, as well as nature-based play and craft for kids aged 3-5 years.

- ◆ **Downfall Creek Bushland Centre**
Tuesday 2 September, 10-10.45am
- ◆ **Karawatha Forest Park and Discovery Centre**
Wednesday 3 September, 10-10.45am
- ◆ **Boondall Wetlands Environment Centre**
Thursday 4 September, 10-10.45am

You can also join a free PlatypusWatch Walk & Talk through platypus habitat at Wendon Way Park, Bridgeman Downs on Friday 5 September, 4-6pm.

For bookings, visit our website and search 'PlatyMonth'.

NOMINATE AN UNSUNG HERO

The Lord Mayor's Australia Day Awards are open for nominations. Help us shine a light on the quiet achievers, everyday heroes and community events that make Brisbane a better place to live, work and relax. Visit our website and search 'Australia Day Awards' to nominate.

NEW WAYS TO PLAY IN WYNNUM

Ahoy, little pirates! There's a new shipwreck structure, beach cubby houses and a sand workshop at Wynnum Wading Pool Park Playground. The playground upgrade is one of the ways we're creating more to see and do in the suburbs.

FREE HAZARDOUS WASTE DROP-OFF

Don't miss our free household hazardous waste drop-off day, 7.30am-3.30pm on Saturday 6 September, at Council's Chandler Resource Recovery Centre. Not sure what you can and can't drop off? Visit our website and search 'hazardous waste' for information.

Milestone for crumbed rubber roads

We're dedicated to keeping Brisbane moving, which is why we're developing new methods for creating stronger roads.

As part of our testing, we recently completed the twentieth trial of combined crumbed rubber and bitumen at the 470-metre Swanwick Street in Zillmere.

The process involves mixing shredded tyres with bitumen to recycle old tyres and create roads that last up to a decade longer.

The crumbed rubber asphalt blend slows the aging of bitumen which means fewer repairs for us and road users can have a smooth and safe journey home.

Get on board Brisbane's New Bus Network

Brisbane's New Bus Network is making it easier for you to get around Brisbane sooner and safer.

New routes, extended all-day services, improved service frequency in the suburbs, and turn-up-and-go Brisbane Metro services on the M1 and M2 routes are helping to keep Brisbane moving.

To plan your journey, visit journey planner at jp.translink.com.au

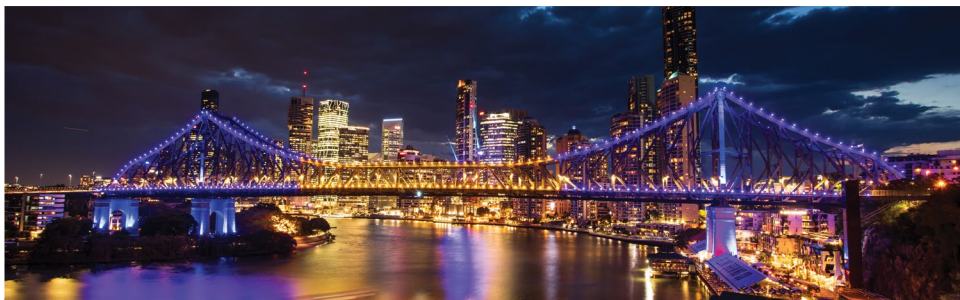

Brisbane Festival is back!

Brisbane Festival returns from 5 to 27 September with a program packed with theatre, music, dance and creative expression.

Bursting to life on Saturday 6 September, don't miss the free, family-friendly fireworks extravaganza, Riverfire by Australian Retirement Trust.

With more than 100 events over 23 days in theatres, gardens, galleries, parks, halls and community centres, there is something for everyone.

Start planning your festival now by visiting **brisbanefestival.com.au**, where you can choose your own adventure, from family fun to date nights. Brisbane Festival is a proud initiative of Brisbane City Council and the Queensland Government.

Footpath works on the Story Bridge

We're starting work on the Story Bridge footpaths, as part of a more than \$18 million investment in the bridge this year.

We've been maintaining and monitoring the condition of the footpaths and found the current concrete slabs will need replacing in the next 2 to 5 years.

Out of an abundance of caution we have closed the footpaths while we install new decking. We expect the new decking will be completed on at least one side of the Story Bridge footpaths before the end of the year.

In addition to the decking, a further \$6.2 million is being invested in Story Bridge works over the coming year towards the long-term concrete and steel rehabilitation, repairs to gantry connection and investigating improvements to the bridge's thematic lighting.

Next year we'll finalise the \$5 million Story Bridge Restoration Business Case, jointly funded with the Australian Government, to plan for the bridge's progressive restoration over the next 15 to 20 years.

Thank you, Brisbane!

Thanks to your generosity, the Lord Mayor's Charitable Trust distributed more than \$200,000 to 27 local Brisbane charities in the 2024-25 financial year through two Ratepayer Charitable Support grant rounds.

By donating your \$15 early rates discount, you've helped support these grassroots organisations, addressing food insecurity, homelessness, domestic violence, illness and disability.

The Lord Mayor's Charitable Trust has been caring for the Brisbane community since the 1950s, providing support to Brisbane's frontline charities.

Learn more about the Trust and the upcoming grant rounds at **lmct.org.au**

Scan the QR code for a full list of charities supported by the Ratepayer Charitable Support grant rounds.

New waste vouchers hit letterboxes

Households will receive new waste vouchers for dropping off general waste or uncontaminated green waste for free at any of our 4 resource recovery centres.

If you have waste vouchers left from the last financial year, you can still use them before they expire on 31 August 2025.

Our resource recovery centres in Chandler, Ferny Grove, Nudgee and Willawong also accept hazardous waste, such as paints, fluorescent lighting tubes, oils, fire extinguishers and batteries (fees apply).

Take advantage of our free household hazardous waste drop-off days throughout the year. The next one is on Saturday 6 September at Chandler.

Visit our website or scan the QR code to download our free Brisbane Bin and Recycling app to check what you can take to our resource recovery centres.

Stay safe from swooping birds

Magpie swooping season typically runs from July to December, when birds protect their nests and young during breeding season. Stay safe during swooping season with these simple tips.

- ◆ Keep an eye out for signage about swooping birds in the area.
- ◆ Don't interfere with birds or nests.
- ◆ Avoid known nesting areas.
- ◆ Wear a hat or carry an umbrella.
- ◆ Wear sunglasses to protect your eyes.
- ◆ If swooped, leave the area quickly, but don't run. Watch the bird while walking away.

For more information, search 'swooping birds' on our website.

Win passes to enter Bridge to Brisbane

We're giving away 5 family and friends packages of 4 passes each to Bridge to Brisbane on Sunday 14 September. To enter, visit brisbane.qld.gov.au and search 'Living in Brisbane competition'. Entries close at 5pm on Monday 1 September.

Brisbane City Council acknowledges this Country and its Traditional Custodians. We pay our respects to the Elders, those who have passed into the Dreaming; those here today; those of tomorrow.
