Metro keeping Brisbane moving: Lord Mayor

It's been a year since Brisbane Metro services kicked off and we've already had an incredible 6 million people jump on board.

With more than 600 people moving to Brisbane every week, better public transport is key to keeping Brisbane moving.

That's why we've delivered the biggest boost to bus services in a decade.

Commuters now have more services to more places, more often and all for just 50 cents per journey.

With Brisbane 2032 on the horizon, we're working with all levels of government to deliver a lasting public transport legacy that extends well beyond the Games.

Help shape Brisbane towards 2032

We want you to make your mark and help shape our city's Olympic and Paralympic Games legacy leading up to and beyond the Brisbane 2032 Games.

Water taxis, 24-hour entertainment precincts, sports parks in unexpected places and wilderness trails are just some of the ideas received so far.

Brisbane's young people, businesses, sports stars and residents are all having their say about their ideas to create a lasting legacy for our city.

Search 'Making our Mark' on our website to like and share your favourite ideas.

Artist's impression: Loving the Leftovers, an idea for imaginative spaces in unexpected places

Don't miss all the action of the Olympic Winter Games Milano Cortina on 6-22 February and Paralympic Winter Games on 6-15 March.

Be prepared for storm season

Living in Brisbane means being prepared for severe weather and possible emergencies during storm season, which typically lasts until March.

We can't prevent flooding in Brisbane, but being prepared can make a huge difference.

Our website has a range of resources to help you protect your home, loved ones and business.

These include YouTube videos on how to prepare and what to do during severe weather, and tips to help you prepare your emergency kit and plan.

Scan the QR code to find these resources and more.

Last days of splash-tastic \$2 Summer Dips

Grab your togs, towels and loose change for general entry and dive into \$2 Summer Dips before the offer wraps up on Saturday 28 February.

There's still time to stay cool for less, as we deliver on our commitment to address the challenges of rising living costs.

There's no limit to how many times you can save this summer, with a trip to the local pool a great way to entertain the kids, cool off or stay active.

To find a local pool near you, visit our website and search 'Summer Dips'. Terms and conditions apply.

Safer and healthier school travel

We're investing in happier and healthier Brisbane kids by helping them be active and stay safe when travelling back to school.

There are 139 Enhanced School Zone signs at 74 schools across Brisbane to remind drivers to slow down when they're entering an active school zone.

More than 14,000 students joined our Active School Travel program in 2025 to walk, ride, scoot, use public transport or carpool to school, building healthy lifestyle habits.

Our Safer School Precincts program combines community engagement, infrastructure improvements and changing behaviour to create safer, more sustainable transport options around schools.

Find out other ways we support safe travel around schools on our website.

Local news

CALLING ALL LIBRARY LOVERS

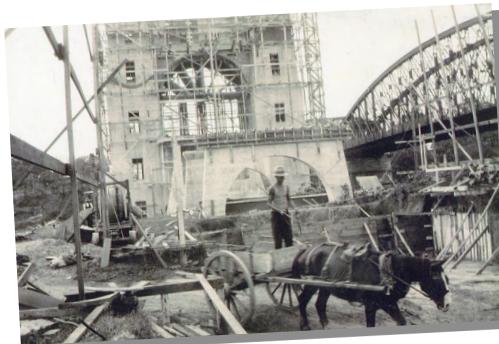

Saturday 14 February is Library Lovers Day. Celebrate the role our 33 libraries, and the people who work in them, play in our community. Look out for special book displays and events at your local library or search 'library lovers' on our website.

REVITALISING ALDERLEY

Our draft Alderley Centre Suburban Renewal Precinct Plan aims to encourage more housing and improve connections to the railway station. The plan, focused on the South Pine Road corridor and Alderley station, will be ready for you to have your say early this year. Visit our website to subscribe to our e-newsletter to stay up to date.

LOCAL BUSINESS BOOST

Businesses in Bald Hills Village and Wilston Village can take part in our Growing Precincts Together program. Opportunities for free skills development include Artificial Intelligence (AI) and Visual Merchandising masterclasses and a Food Business program. Visit our website to register your interest.

Walter Taylor Bridge celebrates 90 years

Love is in the air as Brisbane celebrates the 90th anniversary of the beloved Walter Taylor Bridge this Valentine's Day.

Our historic bridge is currently preparing for birthday maintenance on its distinctive towers for future generations to enjoy.

Named after its designer, Walter Taylor, the iconic bridge connecting Indooroopilly and Chelmer opened on 14 February 1936, becoming the longest suspension bridge in Australia at the time.

The towers were originally home to the toll master and his family, with the last resident moving out in 2010.

Find out more about the bridge and surrounding area by searching 'Indooroopilly Heritage Trail' on our website.

Make the most of your green bin

Since our citywide rollout wrapped up in November, more than 310,000 households have green bins, making it easier than ever to recycle garden waste.

You can use your waste vouchers to drop off oversized garden waste items to our resource recovery centres, or take advantage of our free green waste weekends.

If you're unsure about what to put in your green bin, download the Brisbane Bin and Recycling app or go to our website and search 'green bins' for more information.

DID YOU KNOW

While you can't throw food in a green bin, our Compost Rebate program makes it more affordable to recycle your food scraps by composting at home. Search 'composting' on our website to find out more.

Marking one year of Brisbane Metro

We're celebrating the one-year anniversary of turn-up-and-go metro services, which have transformed public transport in Brisbane and improved how people get around our city.

In January 2025, we launched the M2 metro route between UQ Lakes and the Royal Brisbane and Women's Hospital.

Soon after, in June 2025, the M1 route between Eight Mile Plains and Roma Street commenced alongside Brisbane's New Bus Network.

Since launching, more than 6 million passengers have travelled on a metro, with routes now including the underground Adelaide Street tunnel that opened in September 2025.

We're committed to keeping Brisbane moving and continue to work with the Queensland and Australian governments to explore expanding metro services to Springwood, Capalaba, Carseldine and Brisbane Airport.

Upcoming kerbside large item collection

To keep our neighbourhoods tidy, place your items on the kerb no earlier than the weekend before your collection period.

Remember, your pile should be no larger than 2 cubic metres or the size of a small box-trailer load.

Suburbs

Bowen Hills, Everton Park, Herston, Kelvin Grove, Windsor

Place on kerbside from
7 February

Collection starts
9 February

Visit our website or scan the QR code to download our free Brisbane Bin and Recycling app for tips on what you can (and can't) put out for collection and other ways to reduce waste to landfill.

CityCats are the purrfect way to travel

Did you know there are around 50,000 CityCat services every year travelling along a network of terminals stretching from The University of Queensland, St Lucia to Northshore Hamilton?

The most recent addition to our fleet, *Mirbarpa II*, is one of 10 NextGen double-decker CityCats.

With wheelchair and pram access, toilet facilities onboard and open decks for clear viewing, they're the perfect way to travel, show off Brisbane to visitors or get to where you want to be in style.

They're another great transport option helping you leave your car at home. Search 'CityCat' on our website for services information.

DID YOU KNOW

Recycling is free, 365 days of the year at Council's 4 resource recovery centres. They accept batteries, empty gas bottles, e-waste, paint cans, cardboard and more.

Please check details and confirm with organisers that events are still going ahead before you make plans.

Check out the Brisbane app for more event listings!

More to see and do in February

From international sport to spectacular shows, there's plenty to enjoy in Brisbane this month.

Live music performances

The free Lord Mayor's City Hall Concerts are back for 2026, including Echoes of Cirque on Tuesday 24 February, blending the spirit of Django Reinhardt with modern energy.

Space exploration

Time travel billions of years into the past and millions of years into the future with the American Museum of Natural History show, *Encounters in the Milky Way*, narrated by Pedro Pascal, at the Sir Thomas Brisbane Planetarium, Mt Coot-tha.

Cultural shows and art

Head to Queen Street Mall to experience Gathering, a weekly showcase of Aboriginal and Torres Strait Islander performances, and join this amazing celebration of culture, music and storytelling.

International sport

Get yourself to Allan Border Field in Albion on Tuesday 24 February as Australia takes on India in the opening Women's One Day International. Don't miss the world's best cricketers going head-to-head.

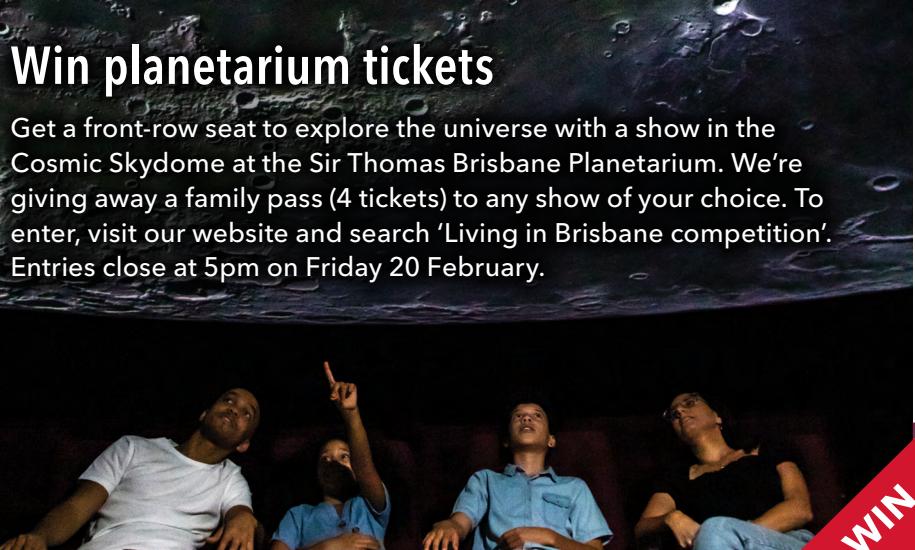

The best things in life are free

You can't put a price on love, but you can enjoy a memorable and romantic Valentine's Day in Brisbane without spending a fortune.

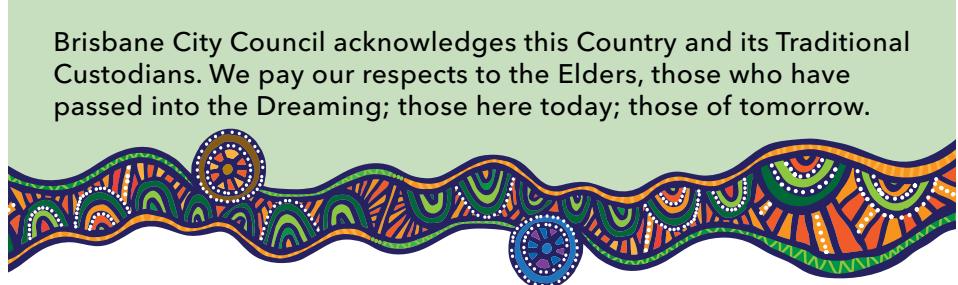

- ◆ Pack a picnic and head to Highgate Hill Park (pictured) and soak up sweeping city views as the sun sets.
- ◆ Lovers of culture can wander through the city's public art trails for Instagram-worthy moments, completely free!
- ◆ Prefer something simple? Take a sunset stroll along the Brisbane River, watching the city lights shimmer on the water.
- ◆ Indulge in literature's greatest love stories at your local library.

Visit the 'Your Brisbane' section on our website for more inspiration.

Win planetarium tickets

Get a front-row seat to explore the universe with a show in the Cosmic Skydome at the Sir Thomas Brisbane Planetarium. We're giving away a family pass (4 tickets) to any show of your choice. To enter, visit our website and search 'Living in Brisbane competition'. Entries close at 5pm on Friday 20 February.

Brisbane City Council acknowledges this Country and its Traditional Custodians. We pay our respects to the Elders, those who have passed into the Dreaming; those here today; those of tomorrow.
