Shaping Brisbane's incredible lifestyle: Lord Mayor

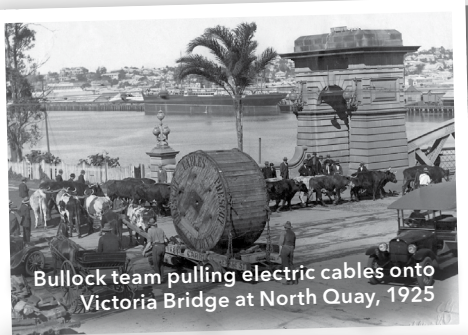

Spring is a great time to get out and enjoy everything our city has to offer.

Our support for vibrant precincts like Howard Smith Wharves, West Village, South Bank and Fish Lane has helped shape Brisbane's reputation as Australia's lifestyle capital.

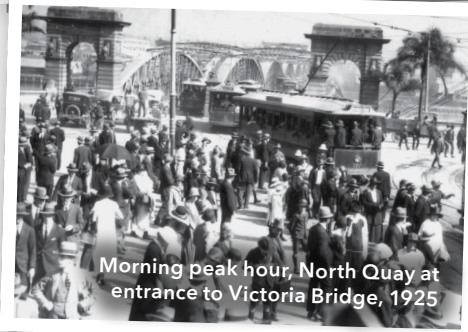

Now we're expanding our popular Coffee Carts in Parks program to make it easier for you to grab a cup of coffee or a bite to eat close to home.

We're investing more than 80% of our budget in the suburbs to make it easier for you to enjoy the best of Brisbane.

It's all part of our plan to create even more to see and do in the suburbs.

Council turns 100

In 1925, the *City of Brisbane Act* brought together several local authorities to form what would become Australia's largest local government by population, Brisbane City Council.

We've been dedicated to a better Brisbane ever since, making Brisbane a great place to live, work and visit.

Join the centenary celebrations, including:

- ♦ **Brisbane 100 - One City Together**, open day at Brisbane City Hall, 10am-4pm Wednesday 1 October
- ♦ **History Conference**, Brisbane City Hall, 8.30am-4pm Saturday 11 October
- ♦ **Memorial plaque unveiling** commemorating Kedron Shire Council, one of the original local authorities to form the new Brisbane City Council, 2-4pm Sunday 12 October, near the Marchant Park gates on Gympie Road.

For more information and centenary events, visit our website and search 'Brisbane City Council centenary'.

Award-winning photographers revealed

Congratulations to the 2025 Lord Mayor's Photographic Awards winners!

The 2025 theme, '100 years of Greater Brisbane', gave photographers the chance to show the places, experiences and events that have helped shape Brisbane into Australia's lifestyle capital.

Eight winners have been announced across 6 award categories, including the LaVonne Bobongie Award and People's Choice Award.

You can see all the winning entries on our website.

Park upgrades incoming

More than 80% of our budget is being spent in the suburbs to ensure Brisbane remains the best place to live, work and relax.

We're planning upgrades for Pallara and Ellen Grove district parks, so everyone can enjoy great sports facilities, green spaces and parks that suit our growing communities.

We're also improving Rocks Riverside Park, New Farm Park, Mt Gravatt Outlook Reserve and the Brisbane Koala Bushlands at Burbank.

You've shared your ideas for the future of the Wynnum, Manly and Lota foreshores, and we're now reviewing them to help prepare the draft master plan.

Stay tuned for more updates on these exciting projects!

Best foot forward for Brisbane footpaths

We're making it easier for you to get around Brisbane with new footpaths.

Since 2018, we've delivered 350,000 square metres of footpaths – more than the distance between Brisbane to Byron Bay, and back again.

You can help keep Brisbane moving by reporting damaged footpaths. Search 'footpath repairs' on our website.

For urgent safety issues, such as structures on a footpath or trip hazards, phone us on **3403 8888**.

Smoother roads keep Brisbane moving

We're keeping Brisbane moving with road resurfacing and pothole repairs in our suburbs.

Every year, we invest millions to maintain and improve our roads, with teams working day and night to fix potholes quickly and resurface streets.

These works help our roads last longer and make them safer for drivers, cyclists and pedestrians.

To report an urgent road safety issue, call us on **3403 8888** or visit our website.

It's all part of our plan to help you get home sooner and safer.

More metro upgrades

Whether you're travelling on bus, foot or bike, getting around Brisbane has become easier thanks to Brisbane Metro infrastructure upgrades.

Buranda and Cultural Centre bus station upgrades have recently been completed, with longer platforms enabling buses and metros to move seamlessly through these stations.

Significant active transport improvements in the area include 840 metres of new cycleway between Cordelia Street and North Quay and a further 450 metres of upgraded on-road cycle lanes on Grey Street.

There's still more to come, with the soon-to-open Adelaide Street tunnel set to improve the flow of buses and metros underneath our city.

SAVE THE DATE

You can drop off your green waste for free at any of our 4 resource recovery centres on these weekends.

- ♦ 13 and 14 September
- ♦ 11 and 12 October
- ♦ 1 and 2 November

RICHLANDS ROADWORKS

We're designing an upgrade for the Archerfield Road, Azalea Street and Pine Road intersection at Inala and Richlands. The plan is to install traffic lights, pedestrian crossings and create separate turning lanes to make it safer for everyone. Surveys are underway in the area to help us with the design. Keep an eye on your letterboxes for more information about the project as it progresses.

Helping Brisbane's vulnerable

Emmanuel City Mission (ECM) is a daytime sanctuary for Brisbane's homeless and vulnerable.

Each day, ECM welcomes up to 400 visitors with meals, laundry facilities, clothing and bedding, toiletry packs, hot showers and, most importantly, a connection to a caring community.

The Lord Mayor's Charitable Trust is a proud long-term supporter, providing funding that has helped ECM open earlier every day, better serving those in need.

Now, ECM is fundraising so that it can extend its services to 24 hours a day, 7 days a week, starting with one night a week thanks to our recent donation to launch the project.

You can support ECM's cause and give the gift of a night of shelter by donating today.

It's time to party, seniors

Christmas is all about giving, and we love supporting our seniors, which is why we help fund Christmas parties and get-togethers through the Seniors Celebration Donation. Funding between \$100-\$300 is available, with applications closing Tuesday 7 October.

Save the date in your diary to book your tickets to this year's Lord Mayor's Seniors Christmas Parties. There will be 15 shows held from Monday 1 December to Saturday 6 December. You can book a limited number of tickets in the online pre-sale from 10am Wednesday 1 October.

Come and see our seniors shine at this year's Lord Mayor's Seniors Cabaret Gala, held at City Hall on Sunday 19 October. Tickets are just \$5 and will sell out fast. Search 'seniors cabaret' on our website for the latest information.
