

Dedicated to a better Brisbane

BRISBANE: WHERE SPORT BUILDS ITS FUTURE

A BRISBANE WELCOME

Host City

Acknowledgement of Country

Brisbane City Council acknowledges this Country and its Traditional Custodians. We acknowledge and respect the spiritual relationship between Traditional Custodians and this Country, which has inspired language, songs, dances, lore and dreaming stories over many thousands of years. We pay our respects to the Elders, those who have passed into the dreaming; those here today; those of tomorrow. May we continue to peacefully walk together in gratitude, respect and kindness in caring for this Country and one another.

Caring for Country – Land, Water and Sky by Riki Salam (Mualgal, Kaurareg, Kuku, Yalanji), We are 27 Creative

LORD MAYOR'S INVITATION

Brisbane is Australia's lifestyle capital and a city that loves sport.

From suburban clubs to packed stadiums, sport is part of who we are.

As Host City of the Brisbane 2032 Olympic and Paralympic Games, we're looking forward to welcoming athletes and teams from around the world.

We've built a strong reputation for hosting major sporting events, including the FIFA Women's World Cup and ICC Men's T20 World Cup.

We're also investing in Brisbane's future, with better transport and infrastructure to keep Brisbane moving. For teams, Brisbane offers excellent training facilities, a subtropical climate and the chance to acclimatise to our city before the Games begin.

And when training finishes, there's plenty to enjoy, from our river and parklands to great food and some of Australia's best lifestyle precincts.

Our Sports Concierge Team can help you find the right training facilities, accommodation and local support services, making it easier to plan your stay and focus on performance.

On behalf of Brisbane, I invite you to make our city your home away from home on the road to 2032.

LORD MAYOR
Adrian Schrinner

A CITY BUILT FOR SPORT

Brisbane is Australia's lifestyle capital.
A safe, connected and globally recognised
city with sport at its heart.

Our children and young people play sport after
school and on the weekends at our 2,000 Council parks
and more than 700 sportsgrounds and courts.
Participation in sport is in our DNA and we will use
the Games as a catalyst to become the most active
city in the world.

From major international events and packed stadiums to weekend competition across our suburbs, Brisbane's passion for sport runs deep. It is part of our identity.

As the Host City of the Brisbane 2032 Olympic and Paralympic Games, with more than 240 days of sunshine and stunning natural assets, Brisbane offers an exceptional environment to train, prepare and perform.

Our sporting venues, accessible infrastructure and experienced sports community have built Brisbane's reputation as a city that can attract, host and support the very best.

And as we look towards 2032, we are building on that foundation, creating new opportunities for athletes, teams and sporting organisations to train, connect and establish lasting relationships with Brisbane.

PARTNER WITH US

Brisbane invites National Olympic and Paralympic Committees, International Federations and sporting organisations to build meaningful relationships with our city in the lead-up to Brisbane 2032 and beyond.

What are you looking for?

- High-performance training base
- Acclimatisation camp
- Regional training and development program
- A sports science, medicine or research partnership
- A long-term legacy presence in Brisbane

We can help you find the right partners and opportunities.

Through one coordinated city relationship, we can connect your organisation with Brisbane's facilities, institutions, expertise and networks.

We can help you:

- prepare athletes for local climate and competition conditions
- identify suitable training, accommodation, recovery and support services
- access expertise in sports science, medicine, research and innovation
- connect with government, universities, industry and sporting organisations
- explore opportunities for training centres, technical programs and institutional partnerships
- create community, participation, economic and commercial outcomes that extend beyond 2032.

BUILD YOUR LEGACY

Find your pathway

Our Sports Concierge Team works with every organisation to understand their specific team requirements. Reach out and let us help you find the right fit.

Brisbane's road to 2032 offers our partners different starting points. Find where your organisation fits, then explore the sections built around your priorities.

Building a long-term base?

For organisations looking to establish a long-term Asia-Pacific training presence for this Games cycle and beyond, start with Building a long-term base on page 13.

Assessing facilities and technical fit?

Our interactive online Brisbane Training Venues Finder gives you access to more than 400 local sports and training facilities. For organisations evaluating Brisbane as a regional hub or centre of excellence, start with Facilities and technical fit on page 13.

Seeking access and development pathways?

For organisations looking to build capability, access cost-effective training opportunities, or explore exchange, development and participation programs, start with Access and development on page 13.

WHY BRISBANE, WHY NOW?

Brisbane is more than just a host city

From elite training environments and sports science partnerships to legacy programs and commercial opportunities, Brisbane offers everything you need to maximise your impact before, during and beyond the 2032 Olympic and Paralympic Games.

Global sporting organisations are already choosing South East Queensland as a base for investment, collaboration and athlete development. Brisbane invites partners to become part of this growing ecosystem.

A connected ecosystem for global sport

Whether your organisation is seeking a high-performance training base, athlete preparation program, sports science collaboration, commercial partnership or legacy initiative, Brisbane provides access to a diverse network of capabilities across sport, research, industry and community.

Brisbane has a strong track record of developing high-performing athletes across multiple disciplines, supported by internationally recognised centres of excellence.

Our facilities, expertise and development pathways create opportunities for athletes and sporting organisations to train, collaborate and build lasting capability in Brisbane.

ONE CITY RELATIONSHIP. ENDLESS PARTNERSHIP OPPORTUNITIES.

Brisbane City Council's Sporting Partnerships Concierge provides a single gateway into Brisbane's sporting, business, education, community and government networks.

Rather than navigating multiple organisations independently, National Organising Committees and International Federations can work directly with us to identify partnership opportunities, establish local connections and accelerate engagement across the Brisbane and Queensland ecosystem.

Our role is to connect global sporting organisations with the people, places and institutions that matter most, helping partners deliver athlete, event, commercial and legacy outcomes that extend beyond 2032.

We're here and ready to help.

2032sportsdiplomacy@brisbane.qld.gov.au

We can help with:

- training options
- site identification
- use agreements
- government introductions
- event approvals and local coordination
- community engagement

We can introduce you to:

- Queensland Government
- Australian sporting bodies
- Australian Olympic Committee
- Paralympics Australia
- national sporting organisations
- universities and research institutions
- business and industry leaders.

BUILT FOR PERFORMANCE

Hosting the Games is about much more than four weeks of spectacular sport. The Games will create a legacy in the lead-up to and long after the event. We'll learn from the best experiences of global host cities and use the Games to

unlock new partnerships to deliver sports facilities that meet the needs of both your elite athletes and our community. Revitalised parks, clubs and sportsgrounds will provide options to enjoy social, community and competition sports across Brisbane.

Brisbane offers high-performance training options across a wide range of Olympic and Paralympic sports.

- Athletics and Para athletics, including track, field and marathon
- Swimming and Para swimming
- Artistic swimming
- Diving
- Water polo
- Cycling and Para cycling (road and track)

- Wheelchair basketball
- Cricket
- Skateboarding
- Sport climbing and Para climbing
- Boccia
- Goalball
- Wheelchair rugby, and more

SHAPING THE FUTURE OF SPORT TOGETHER

Brisbane is interested in partnerships that strengthen sport over the long term. This could include high-performance programs, training bases, research collaborations, technical education, integrity initiatives, community participation or a permanent institutional presence.

We want to understand the legacy your organisation is seeking to create and explore how Brisbane's institutions, communities and growing sports economy could help bring it to life.

- A recurring national team training and acclimatisation base
- National headquarters for sporting associations
- A regional federation program or centre
- An integrity, anti-doping or athlete safeguarding initiative
- A sports science or performance research partnership
- A coaching, officiating or technical academy
- A Para sport participation and development program
- A talent pathway involving schools, clubs and universities
- An industry partnership trialling new sports technology
- A major competition, congress or knowledge-sharing program

A photograph of a swimmer in a pool, viewed from above. The swimmer is in the middle of a stroke, with their head above water and arms extended. Red lane lines are visible in the background and foreground. The water is a vibrant blue.

Building a long-term base

- Pre-Games and seasonal training camps
- Research, innovation and knowledge exchange
- Connections to the wider Asia-Pacific region
- Initiatives designed to continue beyond 2032
- Anti-doping, integrity, safeguarding or education initiatives
- Facility specification

Facilities and technical fit

- Sport-specific facilities and training partners
- Acclimatisation and performance planning
- Performance testing and analysis
- Sports medicine, rehabilitation and recovery
- Heat and environmental performance research
- Classification and Paralympic sport expertise
- Coaching, officiating and technical development
- Competition, conference and congress opportunities
- Technology and sports innovation partnerships

Access and development pathways

- Para-athlete accessibility and support
- Nutrition, psychology and athlete wellbeing
- Participation programs and talent pathways
- School, club and community partnerships
- Inclusive sport and disability participation
- Cultural and international engagement

Available across all partnerships

- Introductions to local and national businesses
- Sponsorship and business-matching opportunities
- Professional services and market-entry support
- Athlete accommodation, transport and recovery requirements

A CITY OF ICONIC VENUES

As Queensland's capital, Brisbane is home to a diverse range of venues that host major sporting events and serve as home grounds for the city's sporting communities.

From fit-for-purpose stadia and suburban playing fields to world-class cycling facilities, Brisbane offers venues that meet the requirements of Olympic and Paralympic athletes.

Brisbane boasts state-of-the-art facilities, premier multi-purpose sporting hubs and premier training venues with international-standard facilities.

Find the right venue for you

We can offer you access to our comprehensive Brisbane Training Venue Finder, an online inventory of more than 100 venues offering over 400 facilities that can accommodate Olympic and Paralympic sports.

LIVE, TRAIN AND RECOVER WELL

Brisbane's major sporting infrastructure is supported by numerous Brisbane City Council venues that offer training grounds across a range of sports, from rugby to cricket and football to water polo.

Our pools have helped develop generations of world-class swimmers, while facilities such as the Brisbane International Cycle Park support road cycling, criterium racing and inline skating.

Across the city, local football parks, cricket grounds, BMX and wheeled-sport facilities provide additional options to meet a wide range of training requirements.

You'll also find high-performance gyms, recovery centres and science and health facilities across the city.

Brisbane hosts the largest health cluster in the Southern Hemisphere. The city's growing MedTech ecosystem is supported by connected hospital networks, world-class universities, research facilities and specialist talent.

Our city's internationally recognised universities and premier schools also offer comprehensive sporting facilities and elite athlete support.

With so many options available, our Sports Concierge Team can help identify the facilities, services and partners best suited to your organisation's needs.

STAY AND PLAY YOUR WAY

Welcoming and easy to explore, Brisbane offers year-round sunshine, clean open spaces, stunning natural areas and a relaxed outdoor lifestyle that supports training, recovery, connection and wellbeing.

There is plenty of accommodation in Brisbane to choose from.

We offer a wide range of options, including hotels, boutique and self-contained apartments in Brisbane city and surrounds.

With convenient access to training venues and a short walk to the city's attractions, there's an accommodation option to meet every need.

Explore our safe and vibrant river city filled with internationally renowned restaurants, captivating museums and galleries, and sprawling parklands.

Hop aboard our CityCat ferries to visit Bluey's World, interact with wildlife at Lone Pine Koala Sanctuary or stroll through our array of shopping precincts.

Brisbane is also a gateway to Moreton Bay, the Gold Coast and Sunshine Coast beaches, the Scenic Rim, iconic sand islands and heritage-listed rainforests, where you can reset, recharge and return to training ready to perform.

**A CONNECTED CITY,
AN ACCESSIBLE CITY,
A CITY FOR EVERYONE**

AS AT OCTOBER 2026

Brisbane's network of international flights to major hubs including Singapore, Doha, Dubai and Los Angeles connects the city to the world.

Brisbane offers sporting organisations a base in one of the world's most dynamic regions. International aviation connections, 24-hour airport operations and proximity to Asia-Pacific markets support athlete movements, international programs, commercial relationships and regional collaboration.

The city's connected public transport network is complemented by interconnected subtropical walking and cycling corridors, making it easy for visitors to move around.

BUILDING A LEGACY BEYOND 2032

**2032 is the catalyst,
not the end point**

Brisbane is interested in
partnerships that strengthen
sport over the long term.

This could include high-performance
programs, training bases, research
collaborations, technical education,
integrity initiatives, community
participation or a permanent
institutional presence.

As the Host City of the Brisbane
2032 Olympic and Paralympic Games,
Brisbane is focused on creating a lasting
legacy, from increasing participation and
supporting healthier communities to
creating new places and opportunities
for people to engage in sport.

We want to understand what your
organisation is seeking to create and
explore how Brisbane's institutions,
communities and growing sports
economy can help bring it to life.
