

Dedicated to a better Brisbane

Bulimba Library Upgrade

Project overview

We're getting ready to start a new chapter at Bulimba Library by refreshing this much-loved library, so your visits are even more comfortable, welcoming and enjoyable.

We're improving how the space looks and functions, making it easier for people of all ages to read, study, relax and connect.

When will this work take place?

Start	20 July 2026
Finish	Late 2026

What changes are coming?

We're redesigning the library's internal layout to make it easier to use and more enjoyable for everyone.

Expect new lounge areas, quiet study spaces and improved zones for reading, relaxing and learning.

Enjoy improved entry points, amenities and internal spaces, helping people of all abilities move around easily and use the space comfortably.

Feel the difference with brighter spaces and better airflow that make the library more comfortable and welcoming.

Behind the scenes, upgrades will also support library staff to continue delivering great services to the community.

Take a look at the new design images over the page to see how these upgrades will transform your local library.

Why is this work happening?

This upgrade is about creating a better experience for the community. Guided by your feedback earlier this year, the improvements focus on giving the library a more modern look and feel, providing more reading and seating spaces for you to study, work and read, and improving bathroom facilities.

What can I expect once works start?

To complete the works safely, Bulimba Library will need to temporarily close during construction.

While the building is closed, library services won't stop, they'll just look a little different.

From 21 July, for the duration of the closure, we'll be operating a temporary library at the Bulimba Bowls Club, just 1.4km away at 6 Quinn Street.

The temporary facility will provide access to the library collection, as well as Wi-Fi, printing and photocopying, and we will continue to deliver events such as First 5 Forever programming.

Temporary library opening hours

While sharing the space in the temporary location, our opening hours will have to change slightly. The opening hours of the temporary library will be:

Monday	Closed
Tuesday	1pm-8pm
Wednesday	9am-5pm
Thursday	9am-5pm
Friday	9am-5pm
Saturday	9am-4pm
Sunday	Closed

We can't wait to welcome you back to the refreshed Bulimba Library once the works are complete!
