

Gardner Road project – Priestdale Road to Underwood Road

March 2026

Dedicated to a better Brisbane

We're pleased to share the design of a new connection for Gardner Road, linking Priestdale Road to Underwood Road in Rochedale, is now complete. We will soon start the tender process for construction to begin later this year.

This important upgrade will improve connectivity and safety for everyone who travels through this growing community.

What's involved?

- Constructing a new section of Gardner Road between Priestdale Road and Underwood Road.
- Installing traffic lights on Gardner Road at the School Road and Priestdale Road intersections.
- Building a bridge over the Bulimba Creek tributary with crossings for wildlife.
- Upgrading footpaths and installing new shared paths.
- Installing new signage and landscaping.

A message from the Lord Mayor

Brisbane is growing faster than any other capital city which is why we're delivering new infrastructure to keep our city moving.

Completing this important link of Gardner Road, from Priestdale Road to Underwood Road, will make travelling through Rochedale easier, helping you to get home sooner and safer.

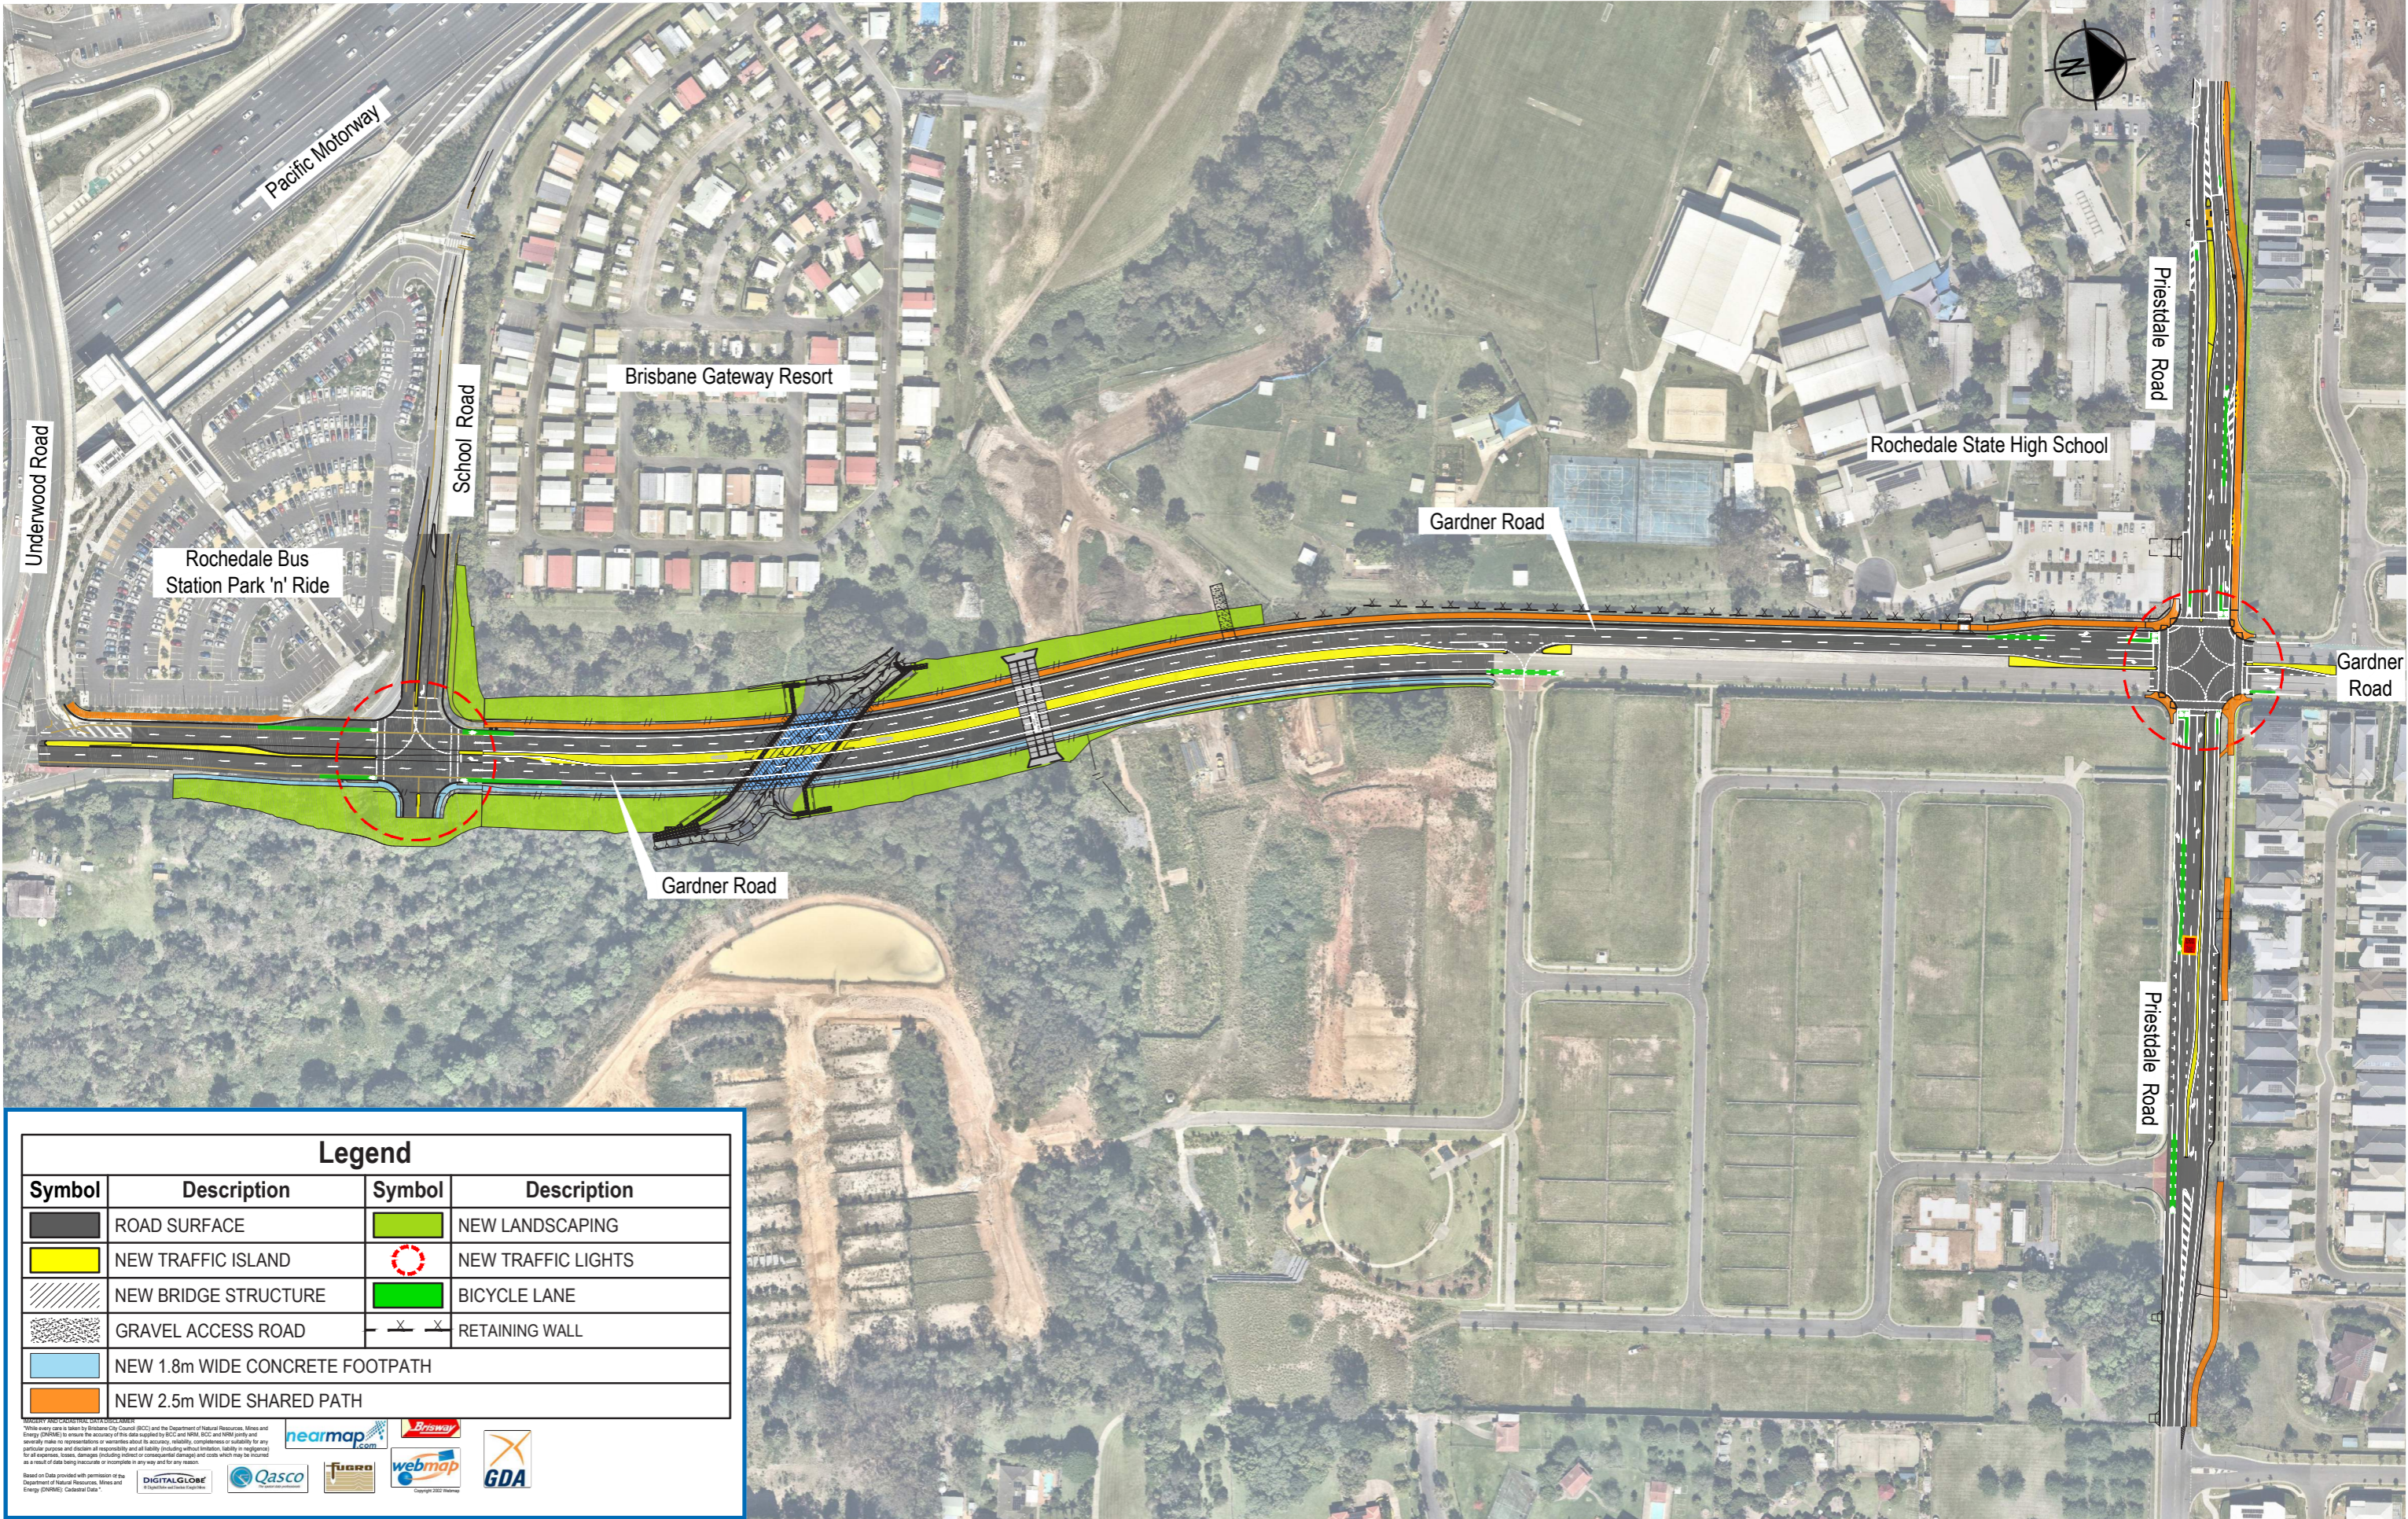

Adrian Schinner,
LORD MAYOR OF BRISBANE

Project funding

The Gardner Road project is jointly funded by the Queensland Government and Brisbane City Council.

Start of construction

What does this mean for you?

Construction will start in late 2026 and is expected to be completed mid-2028. Most of the works will be during the day, between 7am and 5pm, Monday to Friday. Some night and weekend works may be required during construction. Nearby residents will be notified.

To allow for the works, some vegetation and trees will need to be removed however new landscaping will be installed as part of the project.

Formalised parking bays will be installed on Priestdale Road. For safety, some on-street parking close to the new signalised intersections at School Road and Priestdale Road will need to be removed.

Access into Rochedale High School will remain the same with the addition of an exit driveway from the school to Gardner Road included in the design. This exit driveway is left-turn out only.

More construction detail will be provided closer to the start of works.
