

# Hamilton Road, Western Avenue and Staib Road intersection upgrade

Project update | October 2026

We're pleased to share the preliminary design for upgrading the Hamilton Road, Western Avenue and Staib Road intersection in Chermside.

The upgrade will improve safety and make the intersection easier for everyone to use. New traffic signals at Hamilton Road and Western Avenue will manage all movements, improve traffic flow, and provide safer access to the hospital precinct.

We're also enhancing pedestrian connections, with new signalised crossings on Hamilton Road and Western Avenue linking to upgraded footpaths. This busy intersection currently experiences high traffic volumes, long delays and limited visibility, contributing to safety risks for both drivers and pedestrians.

## Information kiosk

You're invited to our information kiosks to learn about this important project.

| Date and time                    | Location                         |
|----------------------------------|----------------------------------|
| Saturday 24 October, 10am - 12pm | Chermside Library, Outdoor patio |
| Wednesday 28 October, 4pm - 6pm  | Chermside Library, Outdoor patio |

## What's included in the upgrade

- ✓ A safer signalised intersection
- ✓ Widening Hamilton Road to provide two lanes in each direction
- ✓ New and upgraded bus stops on Hamilton Road
- ✓ Shared pathways to improve walking and cycling connections
- ✓ Removal of some on-street parking to improve safety and traffic flow
- ✓ Safer access changes at Curwen Terrace and Zenith Avenue to reduce risky turning movements

## Project funding

This project is jointly funded by the Queensland Government and Brisbane City Council.
