Hibiscus Skate Park, Upper Mt Gravatt

Upcoming maintenance works and temporary closure

What works are coming up?

We are undertaking maintenance works on the Hibiscus Skate Park to improve the riding surface of this popular recreational space.

The skate park will be temporarily closed for up to 6 weeks while works are underway.

When will this work take place?

| | |
|----------|----------------------------------|
| Start | Mid-May 2025 |
| Finish | Late June 2025, weather and site |
| Time and | 7am to 5pm, Monday to Saturday |

What does this work include?

Works will involve:

- repairing cracks and damaged concrete on the riding surface
- installing edging to worn or chipped ramps and ledges
- smoothing all ground surfaces
- sealing the concrete after pressure washing to protect and prolong the life of the surface.

Please see layout map over the page for more details about where the works will take place.

Alternative skating facilities

The next closest skate parks in this area are:

- Sunnybank Bowl, 32 Woff Street, Sunnybank
- Peter Scott Skate Park, 70 Murial Avenue, Moorooka.

Why is this work happening?

Hibiscus Skate Park is a popular recreational facility that caters for beginners to advance skaters, BMX and scooter riders, and inline bladers.

These works will help to extend the life of the skate park for many years to come and will ensure it remains safe and enjoyable for people of all ages and abilities.

It's part of our commitment to provide quality recreational facilities and help keep our community safe.

What does this mean for me?

The Hibiscus Sport Complex, PCYC and carpark will remain open during the works.

While the carpark will remain open, 4 car spaces near the skate park will be temporarily unavailable during the works.

If you're visiting nearby facilities or travelling within the area, you may notice:

- increased noise, dust, vibration and vehicles
- fencing around the skate park and work area
- intermittent impacts to the footpath
- traffic control and onsite signage.

We value your patience and cooperation while we undertake this important work.
