

June 2025

Hutton Road precinct, Aspley Local Area Traffic Management

Start of construction

What works are coming up?

We are pleased to advise works will start soon for the Hutton Road precinct project in Aspley, as part of our Local Area Traffic Management (LATM) program.

When will this work take place?

Start	Mid-June 2025
Finish	Early July, weather and site conditions permitting
Time and day	7am to 5pm, Monday to Friday

What does this work include?

As part of these works, we will install:

- 4 speed platforms along Hutton Road
- a pedestrian splitter island on Hutton Road at Ellerdale Street
- painted threshold treatments on Hutton Road at Zillmere Road, and on Navua Avenue and Wilmah Street at Robinson Road West
- associated line marking, including yellow 'No Stopping' lines.

On-street parking will not be permitted where yellow 'No Stopping' lines are in place to ensure safe sightlines and appropriate visibility at crossing points and intersections, and to ensure lanes are wide enough for traffic to safely pass.

Please see the project plan on the next page for more details.

Why is this work happening?

The improvements for the Hutton Road precinct were supported by the community in 2020 and will help to address concerns about the safety of people walking, riding and driving by:

- discouraging non-local traffic
- reducing speeding and corner cutting
- providing safer and more accessible pedestrian crossing points
- increasing sightlines and visibility.

This project is part of our LATM program which delivers improvements across Brisbane's local road precincts and suburbs to ensure safer and slower roads.

What does this mean for me?

If you live in or are travelling through the area, you may notice:

- increased noise, dust, vibration and vehicles
- changed traffic conditions, including footpath and lane closures, and reduced speed limits
- traffic controllers and signage onsite.

On-street parking within the works area will not be available during construction.

We would like to thank you for your patience while these important works are undertaken.
