

August 2023

Moggill Road Corridor Upgrade Project - Stage 1

ACCESS CHANGES FOR RESIDENTS OF 279 TO 257 MOGGILL ROAD

WHAT WORKS ARE COMING UP?

Works to change the height of Moggill Road service road are continuing and as we move into the next stage of works, there will be changes to how you enter and exit your property that will be in place until early 2024.

WHEN WILL THIS WORK TAKE PLACE?

Start	From Monday 28 August 2023 to early 2024 , weather and site conditions permitting.
Time	Day works 7am to 6pm Monday to Saturday . Night works 7.30pm to 5:30am Sunday to Thursday .

ACCESS CHANGES FROM MOGGILL ROAD

Access to the residential service road from the west of Moggill Road will be closed from Monday 28 August 2023. When entering your property, you will need to access Moggill Road service road via a temporary detour from Stanley Street.

When leaving your property, you will need to exit via a new temporary access road that is a single lane each way and will be controlled by temporary traffic signals. Please allow additional time when leaving your property as these signals may incur 1–2-minute delays.

Please refer to the map over the page for further information.

DRIVEWAY ACCESS

Driveway access will be maintained to all properties; however, a minor closure will be required for the upper driveway at 279 Moggill Road.

Pedestrian access to the letterboxes will be maintained. We will provide notification about these works when timing is confirmed.

On-street parking is not available on the residential service road.

ONGOING WORKS

Works at the front of the properties will continue as construction of the overpass progresses.

TEMPORARY SERVICE DISRUPTIONS

Residents should expect some short temporary disruption to services such as gas, water, electricity, and telecommunications as each provider continues to upgrade their infrastructure near the properties.

Further notifications about these works will be provided by the service provider and the project team when dates and times are confirmed.

CONTACT US

We thank you for your patience and cooperation during these essential works. If you have any questions, please contact the project team on:

Free call: 1800 572 132 (during business hours) or email moggillroadupgrade@brisbane.qld.gov.au.

For information outside of business hours, please call Council's Contact Centre on (07)3403 8888
