August 2026

North Quay lift upgrade Start of works and temporary detour

We are upgrading the lift at North Quay to improve reliability for users.

Works will start in mid-August 2026 and will be complete by early November, weather and site conditions permitting.

The North Quay lift, adjacent stairs and ramp will be closed during the works, with a temporary detour in place. The detour will guide you to an alternative lift, stair and ramp access. Please follow the direction of signage.

There will be a site compound set up near the top of the lift. You may notice construction vehicle movements and deliveries of machinery, equipment and materials.

We value your patience and cooperation while we undertake these works.

If you have any questions, please contact the project team on 3178 5413 (during business hours) or email cityprojects@brisbane.qld.gov.au. After hours, please call Council's 24-hour Contact Centre on 3403 8888.
