## **Pallara District Sports Park project Temporary traffic changes continuing**

Early works for the Pallara District Sports Park project are progressing well and are on track to be complete by mid-to-late June.

To maximise working efficiency and reduce the overall amount of working time, **we'll continue to temporarily close Van Dieren Road to through traffic between Prominence Street and Emerald Street during working hours for the remainder of the project.**

This means the 3 bus stops along Van Dieren Road will also remain closed until works are complete.

If you normally use the S777 or 803 bus on Van Dieren Road, please continue to use either of the school bus stops on Laxton Road instead.

We'll let you know when these stops reopen.

Access to private properties will remain available at all times. Please follow detour signs and traffic control.
