Dedicated to a better Brisbane

October 2025

Upcoming works Tillack Park amenities upgrade

We're upgrading the amenities block in Tillack Park, Mansfield to improve the facilities in this popular and growing area.

Why are these works happening?

These amenities have been affected by flood events over the years and have now reached their end of life.

We're demolishing the existing building and will be constructing a new facility in the same location, with improved sight lines around the building, more flood resilient materials and enhanced accessibility for users of all abilities to access.

What does this mean for me?

Works will take place between **6.30am to 6.30pm, Monday to Saturday from 20 October 2025 to early 2026**, weather and site conditions permitting

The amenities block will be closed during construction.

Asbestos removal inside the toilet block will occur on **21 and 22 October 2025**. This will be carried out by a licensed contractor in full compliance with the Work Health and Safety Act 2011 (Qld). Safety measures will include a secure exclusion zone, fencing, and signage.

You may notice some increased noise and vehicle movement during the works. All other areas should remain unaffected by this work, ensuring safe play and access around the worksite is maintained.

For more information about these works please call us on **3178 5413** during business hours or email **cityprojects@brisbane.qld.gov.au**.

Alternatively, call Council's Contact Centre on **3403 8888**.
