

REGATTA CITYCAT TERMINAL UPGRADE

COMMUNITY NEWSLETTER #2 | SEPTEMBER 2014

It's all part of Council's plan

Dedicated to a better Brisbane

A message from the Lord Mayor

I am pleased to announce the Regatta CityCat Terminal upgrade will start in October.

After being severely damaged in the 2011 flood, a temporary terminal was installed at Regatta to get services back up and running as quickly as possible. This temporary terminal was built to pre-flood standards meaning that in the event of another major flood, it was likely it would need to be rebuilt again.

With funding provided by the Australian and Queensland governments as part of the Natural Disaster Relief and Recovery Arrangements (NDRRA), Brisbane City Council is committed to building a permanent terminal at Regatta.

This new terminal will be more flood resilient, have improved accessibility for people with a mobility or vision impairment, will assist to provide a more efficient transport network and will cater for an increasing number of passengers over the next 50 years.

While the upgrade is underway, the Regatta CityCat Terminal will close. Public transport information is provided over the page to assist you in planning your journey during this time.

I look forward to delivering this new terminal at Regatta for the people of Toowong.

Graham Quirk
Lord Mayor

The Regatta CityCat Terminal upgrade includes:

- installing a new flood-resilient dual-berthing pontoon
- installing a robust 11-metre-high pier with the capacity to deflect heavy objects in flood waters
- installing a gangway that detaches at the shore end in the event of a flood, allowing it to swing behind the pontoon and avoid being struck by debris
- improving the pathway links from the Bicentennial Bikeway to the terminal
- retaining and improving the existing waiting structure
- making the terminal safer and easier to use for people with a mobility or vision impairment.

Timeline

LATE OCTOBER 2014

Terminal closes and
CityCat services cease

EARLY 2015

Terminal reopens

Public transport options during construction

While the upgrade is underway, the Regatta CityCat Terminal will close.

Regular CityCat commuters have a range of transport options available to take them to the CBD or further upstream to the University of Queensland (UQ) St Lucia Campus.

Bus

Bus services run along Coronation Drive to the CBD and beyond. A number of services, including the 402, 411 and 412 also travel from Toowong to UQ St Lucia regularly.

Train

The Toowong train station is just 550 metres from the Regatta CityCat Terminal. The Caboolture-Rosewood and Springfield train lines both run through Toowong.

CityCat

The Milton CityCat Terminal will be open from late 2014. The new terminal is just 1.5 km upstream from Regatta CityCat Terminal and will carry commuters to all other terminals in the network.

For timetable information or to plan your journey, please contact TransLink on **13 12 30** or visit www.translink.com.au

CityCycle

CityCycle stations 142 (Sylvan Road and Coronation Drive), 144 (Jephson Street and Sherwood Road), 145 (Coronation Drive and Archer Street) and 146 (Brisbane and Glen roads) are all just a short walk from Regatta CityCat Terminal. For more information about CityCycle, visit www.citycycle.com.au or phone **1300 CCYCLE (1300 229 253)**.

Bicentennial Bikeway

The Regatta CityCat Terminal upgrade will work alongside the Bicentennial Bikeway Stage 4 upgrade. Pedestrian detours are in place on the Bicentennial Bikeway to allow these important works to be completed. For more information on the bikeway upgrade or the detours please visit www.brisbane.qld.gov.au and search, 'Bicentennial Bikeway Stage 4' upgrade, or phone **1800 727 923**.

Talk to the project team

Members of the project team will be at the Regatta CityCat Terminal in the days before the terminal is closed.

Like to know more?
