

Eat Safe Brisbane - Self Audit

Environmental Health

Self Audit Guide

Before completing this form you need to:

Step 1 Download and print the 'Eat Safe Brisbane 'Industry Checklist' from www.brisbane.qld.gov.au/eatsafechecklist

Step 2 Complete an audit of your food business using the Industry Checklist. All completed industry checklists must be kept at the food business at all times, as they may be required to be produced for review by an Environmental Health Officer during unannounced spot checks.

Step 3 Once the self audit is completed, fill out the advisory details below of your results and return to Council using the reply paid envelope provided.
