Light Nuisance Code

1 Application
This Code will apply in assessing a material change of use and/or building work where it involves the erection of outdoor lighting.

2 Using this Code
In using this Code reference should also be made to Section 1.1—How to use the Codes, at the front of this Chapter.

When this Code is listed in a level of assessment table in Chapter 3 or a Local Plan in Chapter 4 as an Applicable Code for self assessment:
• the Code is to be read as being the Acceptable Solutions only
• a Local Plan Code may vary or include additional Acceptable Solutions.

When this Code is listed in a level of assessment table in Chapter 3 or a Local Plan in Chapter 4 as an Applicable Code or for code assessment or Relevant Code for impact assessment:
• the Code is to be read as being the Purpose, Performance Criteria and Acceptable Solutions
• a Local Plan may include a Code that may vary or include additional Purposes, Performance Criteria or Acceptable Solutions.

3 Purpose
The purpose of this Code is to:
• control outdoor lighting so as to maintain the amenity and environmental integrity of an area
• ensure that the location, utilisation and aiming of outdoor lighting efficiently lights a desired area while minimising spill lighting.

4 Performance Criterion and Acceptable Solution

<table>
<thead>
<tr>
<th>Performance Criteria</th>
<th>Acceptable Solutions</th>
</tr>
</thead>
<tbody>
<tr>
<td>P1</td>
<td>A1.1 Technical parameters, design, installation, operation and maintenance of outdoor lighting complies with requirements of AS4282—Control of the Obtrusive Effects of Outdoor Lighting</td>
</tr>
<tr>
<td></td>
<td>Where on the site of a house:</td>
</tr>
<tr>
<td></td>
<td>A1.2 Any flood lighting is restricted to the types that give no upward component of light where mounted horizontally, i.e. a full cut off luminar</td>
</tr>
</tbody>
</table>

Note: where for the purpose of lighting of a tennis court in a Residential Area, a compliance statement prepared by a suitably qualified person must be submitted to Council with the development application for building work.
