From: Valerie Miranda Sent: Friday, 12 August 2016 2:06 PM To: 'nova@spsbm.com.au' Subject: Advertising Signage Renewal - A004388579			
Hi			
It has come to Council's attention the following advertising signage permit expired on 25 June 2016 and is due for renewal.			
Permit Ref: SIGN0023865 - Advertising Sign Location of sign: 469 Gympie Rd, Kedron Type of Sign: Pylon sign			
If signs have changed or have been removed from site, you will need to update the information with Council immediately.			
If the details are correct, please arrange payment in the sum of \$137.00 immediately. A copy of the renewal is attached.			
Please be aware under Local Law No. 1 "Control of Advertisements", a prescribed infringement notice may be issued daily to signage on the property that does not have a current permit. Currently the prescribed infringement is \$605.00 per sign per day.			
If you have any questions regarding this notice, please do not hesitate to contact me on 07 30274983.			
Regards Valerie Miranda

Date	Officer	Task	Result
	Collections Officer, Fees & Charges   Support Services Organisational Services   BRISBANE CITY COUNCIL		

### Condition Details:

#### Advertising Sign - SIGN0023865

- 1 An advertisement is not to obstruct the passage of pedestrians or vehicles.
- 2 Both the advertisement and its supporting structure are to be properly maintained at all times.
- 3 An advertisement other than a Blind Sign, Canopy Sign or Projecting Sign displayed over a footway, path, cycleway or the like is to have a minimum clearance of 2.4 metres between the lowest part of the advertisement and the pavement.
- 4 An advertisement displayed over a road or other place where vehicles are able to pass is to have a minimum clearance of 5.7 metres from the surface of the road or other place.
- 5 No advertisement with moving parts is to be located in or adjoining a footway or other pedestrian place, unless it is so designed or positioned that the moving parts are out of the reach of pedestrians.
- 6 No support, fixing, suspension or other system required for the proper installation of an advertisement is to be exposed, unless designed and constructed in a simple, neat and tidy manner or as an integral feature of an advertisement.
- 7 An advertisement is not to obstruct pedestrian's, motorist's, or cyclist's view of traffic or the road ahead.
- 8 All electrical services and systems are to comply with the current Standards Association of Australia Wiring Rules and the requirements of the supply authority.
- 9 All conduits, wiring, switches or other electrical apparatus installed on an advertisement are to be concealed from general view. No electrical equipment is to be mounted on an exposed surface in the manner shown in the adjacent drawing.
- 10 All advertisements are to be constructed and installed so as to facilitate regular maintenance.
- 11 Both the advertisement and its supporting structure are to be properly maintained at all times.
- 12 The supporting structure of an advertisement must also comply with structural standards or codes under applicable laws in other respects.
