### DIRECTORS' REPORT 30 JUNE 2021

#### 2. General information (continued)

#### b Principal activities

The principal activity of Brisbane Sustainability Agency Pty Ltd (BSA) during the 2021 financial year was to support the delivery of greater sustainability outcomes for Brisbane.

The principal activity of the Company may only change in accordance with the written direction and approval of the BSA Board.

No significant changes in the nature of the entity's activity occurred during the 2021 financial year.

#### 3. Operating results and review of operations for the year

#### a Operating results

The profit of the company for the period amounted to a profit of \$463,426 (2020: Profit \$53,794).

#### b Dividends paid or recommended

No dividends were paid or declared since the start of the financial year. No recommendation for payment of dividends has been made.

#### 4. Other items

#### a Significant changes in state of affairs

On 11 March 2020, the World Health Organisation ("WHO") declared a pandemic in respect of the increasing cases of COVID-19 being recorded on a global basis. Since the WHO declaration, The Australian Commonwealth and State governments have been implementing various policy measures to respond to the pandemic, including quarantine measures and economic stimulus packages.

As the situation remains fluid (due to evolving changes in government policy and evolving business and customer reactions thereto) as at the date these financial statements are authorised for issue, the Directors of the Company considered that the financial effects of COVID-19 on the Company's financial statements cannot be reasonably estimated for future financial periods.

The Company's Directors and Management have performed a preliminary assessment of the potential impact of COVID-19 based on the nature of the Company's operations and business model. At this stage, with the information available at the date these financial statements are authorised for issue, Management concluded that the outbreak of COVID-19 has not had a material impact on the 2021 financial results of the Company.

Except for the above, no other matters or circumstances have arisen during the 2021 financial year that have significantly or may significantly affect the entity.

### DIRECTORS' REPORT 30 JUNE 2021

#### 4. Other items (continued)

#### b After balance date events

On 18 June 2021, Brisbane Green Heart CitySmart Pty Ltd amended its name to Brisbane Sustainability Agency Pty Ltd as the first step towards the merge of existing Council-owned entities, Brisbane Green Heart CitySmart Pty Ltd and Oxley Creek Transformation Pty Ltd, to collectively supercharge Council's long-term plan for a clean, green and sustainable Brisbane.

In the 2021/22 financial year, Brisbane Sustainability Agency Pty Ltd will continue to progress the processes required to complete the merge with the transfer of the net assets and activities of Oxley Creek Transformation Pty Ltd to Brisbane Sustainability Agency Pty Ltd. This process is expected to be completed by 30 June 2022, and will involve the Company:

- assuming responsibility for the employees of Oxley Creek Transformation Pty Ltd, including their outstanding employee entitlements as at the date of their transfer (1 July 2021), and
- acquiring all remaining assets and assuming responsibility for all remaining liabilities of Oxley Creek Transformation Pty Ltd, including any active service agreements, in existence as at 30 June 2022.

To facilitate an orderly transition of Oxley Creek Transformation Pty Ltd's business activities to the Company over the next 12 months, Oxley Creek Transformation will retain sufficient funding to fulfil all of its existing contractual obligations and anticipated transactions during the 2021/22 financial year (the transition period).

While the Company cannot reliably estimate at this stage the amount of assets and liabilities it will ultimately assume through this process, as at 30 June 2021, Oxley Creek Transformation Pty Ltd reported total assets of approximately \$7,600,981 and total liabilities of \$3,933,874, including \$57,419 of employee-related obligations.

#### c Future developments and results

Likely developments in the operations of the Company and the expected results of those operations in future financial years have not been included in this report as the inclusion of such information is likely to result in unreasonable prejudice to the Company.

#### d Environmental issues

The Company's operations are not regulated by any significant environmental regulations under a law of the Commonwealth or of a state or territory of Australia.

### DIRECTORS' REPORT 30 JUNE 2021

#### 5. Indemnification and insurance of officers

#### a Indemnification

Brisbane Sustainability Agency Pty Ltd is covered under Brisbane City Council insurance for Public Liability, Products Liability and Professional Indemnity. The coverage is provided by the Queensland Local Government Mutual Liability Pool. This policy covers legal liability to third parties for:

- Personal injury and/or damage to property caused by an occurrence and/or:
- Arising out of negligent act, error or omission whenever or wherever the incident was or may have been committed or alleged to have been committed by the member.

#### 6. Proceedings on behalf of company

#### a Leave or proceedings

No person has applied for leave of court to bring proceedings on behalf of the Company or intervene in any proceedings to which the Company is a party for the purpose of taking responsibility on behalf of the Company for all or any part of those proceedings.

The Company was not a party to any such proceedings during the year.

#### 7. Auditor's Independence Declaration

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

#### 1 Summary of Significant Accounting Policies

#### (a) General Information

#### (i) Reporting entity and basis of preparation

Brisbane Sustainability Agency Pty Ltd (the 'Company') is a company limited by shares, incorporated and domiciled in Australia. BSA, formerly Brisbane Green Heart CitySmart Pty Ltd, changed it's registered company name on 18 June 2021.

The address of the registered office is Level 8, 307 Queen Street, Brisbane, QLD 4000.

The principal place of business in Level 8 Suite 2, 307 Queen Street, Brisbane, QLD 4000.

The Company's sole principal activity is to support the reduction of greenhouse gas emissions and support the delivery of Council's Vision 2031 for a 'Clean Green City'. The company is a not for profit proprietary company limited by shares. The company is wholly owned by the Brisbane City Council; therefore the Brisbane City Council is the parent entity of Brisbane Sustainability Agency Pty Ltd.

No dividends have been paid or declared throughout the 2021 financial year.

The financial statements are general purpose financial statements which have been prepared in accordance with *Australian Accounting Standards* (AASBs) adopted by the *Australian Accounting Standards Board* (AASB) and the *Corporations Act 2001*. The financial statements have been authorised for issue by the Board of Directors as at the date of signing the directors' declaration.

The financial statements have been prepared on an accruals basis and are based on historical costs unless otherwise stated in notes.

The financial statements are presented in the Australian Currency, which is the Company's functional currency.

#### (b) Use of estimates and judgements

The preparation of financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that may have a financial impact on the entity and that are believed to be reasonable under the circumstances.

NOTES TO THE FINANCIAL STATEMENTS

### FOR THE YEAR ENDED 30 JUNE 2021

#### 1 Summary of Significant Accounting Policies (continued)

#### (b) Use of estimates and judgements (continued)

Where circumstances change, management have the discretion to adjust their estimates and judgements accordingly in the period in which the estimate is revised and in any future periods as relevant. Estimates and assumptions that have a potential effect are outlined in the following accounting policies and subsequent notes relating to:

- plant and equipment, including the annual review of depreciation rates, assets' lives and residual value; and
- employee benefits of annual leave and long service leave.

#### (c) Taxation

#### (i) Income tax

The company is exempt from Commonwealth Income Tax as a State/Territory Body under *Section 24AK* of the *Income Tax Assessment Act 1936*.

#### (ii) Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

Cash flows are presented in the statement of cash flow on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

The net amount of GST recoverable from or payable to the Australian Taxation Office is included as part of the receivables or payables.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

#### 1 Summary of Significant Accounting Policies (continued)

#### (d) Going concern

The financial report has been prepared on the going concern basis. This basis has been adopted as the Company should receive ongoing funding through Funding Deeds that support the Company from Brisbane City Council to fund the operation.

A Funding agreement is in place between the Company and Brisbane City Council which outlines the parameters for the Company receiving and using grant funding. This Agreement outlines that Brisbane City Council does not guarantee any future grants and that the Company will need to apply for funds in the budget submission process each year.

Historically, Brisbane City Council has provided operational funding and additional event funding. For the financial year ending 30 June 2021, Brisbane City Council have confirmed their continued support.

Funding arrangements are in place with Corporate Partners to provide cash and in-kind support to the business over the next 12 months.

#### (e) Rounding of amounts

All balances are stated in Australian dollars, rounded to the nearest dollar. Consequently, sub totals and totals may not add due to rounding, but the overall discrepancy is no greater than two.

#### (f) Reclassification of financial information

BSA have changed the presentation and classification of items in the Statement of Comprehensive Income in the 2021 financial statements, including reclassifications to the comparative figures. In 2020 BSA transitioned its accounting records to the accounting software package Xero. In 2021 BSA undertook a review of its transactions, specifically related to Event/Project Costs, and identified a more meaningful method of classifying expenses using Xero's categorisation functionality. The below restatement is the result of this review:

Line Item	2020 \$	2020 restated \$	Reclassified Amount
Marketing Costs	26,071	165,255	139,184
Administration Costs	446,146	610,922	164,776

#### 1 Summary of Significant Accounting Policies (continued)

#### (g) New and revised accounting standards

#### AASB 1059 - Service Concession Arrangements: Grantors

AASB 1059 applies to concession arrangements where the operator provides public services related to a service concession on behalf of a grantor, and manages at least some of those services under its own discretion, rather than at the direction of the grantor. The new standard will cause a change in accounting practice as grantors move from a 'risks and rewards' approach to a 'control approach'.

The following arrangements are explicitly excluded from the scope of the standard:

- arrangements that do not deliver a public services (e.g. assets used for commercial purposes)
- arrangements where the operator does not provide and manage at least some of the public services under its own discretion (e.g. outsourcing service agreements where the public sector entity has control of the asset), and
- arrangements that involve service and management components where the asset is not controlled by the grantor (e.g. privatised assets that are subject to price regulation).

The transition date for AASB 1059 was 1 July 2020. Consequently, these standards first applied to the Company in the 2021 financial year.

# AASB 2018-6 - Amendments to Australian Accounting Standards - Definition of a Business and AASB 2018-7 Amendments to Australian Accounting Standards - Definition of Material

To align with equivalent changes approved by the International Accounting Standards Board in October 2018, the Australian Accounting Standards Board published AASB 2018-6 and AASB 2018-7 to amend the definitions of a 'business' and 'material' in December 2018.

AASB 2018-6 clarifies the definition of a 'business' to assist entities when determining whether a transaction should be accounted for as a business combination or an asset acquisition. AASB 2018-7 clarifies the definition of what is 'material' to the financial statements, including adding guidance and explanations to accompany the definition.

These standards apply to the Company in the 2021 financial to annual reporting periods beginning on or after 1 January 2020, therefore they first applied to the Company from 1 July 2020.

An assessment of AASB 1059, AASB 2018-6 and AASB 2018-7 has been performed for the Company, and there is no material impact relating to the introduction of these standards in the 2021 financial year.

Balance at 30 June 2020	17,202	10,067	580	-	27,848

#### (b) Recognition and measurement

Plant and equipment are measured at their cost less accumulated depreciation and accumulated impairment loss. Cost includes incidental costs directly attributable to the acquisition. Items of property, plant and equipment with a total value less than \$1,000 are treated as an expense in the year of acquisition.

Subsequently, expenditure is only capitalised when it is probable that future economic benefits will flow to the Company from it, and the costs incurred can be measured reliably. Ongoing repairs and maintenance are expensed as incurred.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

#### 10 Plant and Equipment (continued)

#### (c) Depreciation

The depreciable amount of all assets, including capitalised leased assets, are depreciated on a straightline basis over the asset's useful life. The straightline basis and diminishing value basis is used as it best fits the pattern of consumption of the assets.

The estimated useful lives for the current and comparative years of significant items of property, plant and equipment are as follows:

	2021	2020
Furniture and Fittings	20 years	20 years
Office Equipment	3-10 years	3-10 years
Computer Equipment	2-3 years	2-3 years
Leasehold improvements	8 years	8 years

Depreciation methods, useful lives and residual values are reviewed at each reporting date and adjusted if appropriate.

#### (d) Impairment

All physical and intangible assets are assessed for impairment on an annual basis. If an indicator of possible impairment exists, the Company determines the asset's recoverable amount. Any amount by which the asset's carrying amount exceeds the recoverable amount is recorded as an impairment loss.

Assets are tested for recoverability whenever events or changes in circumstances indicate that its carrying value may not be fully recoverable.

For the operating period to 30 June 2021 no impairment losses have been recorded (2020: nil).

GST payable	180,359	28,047
Other payables	4,994	3,159
Total	722,267	369,278

Trade and other payables represent the liability outstanding for goods and services provided to the company prior to the end of the financial period which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition. Due to their short term nature, these liabilities are not discounted.

### 12 Contract Liabilities

#### Wages, salaries, annual leave, sick leave and long service leave

Wages, salaries and annual leave due but unpaid at 30 June 2021 are recognised in the Statement of Financial Position at the remuneration rates expected to apply at the time of settlement. Payroll tax and workers' compensation insurance are a consequence of employing employees, but are not counted in an employee's total remuneration package. They are not employee benefits and are recognised separately as employee related expenses. Employer superannuation contributions and long service leave expenses are regarded as employee benefits.

For unpaid entitlements expected to be paid within 12 months, the liabilities are recognised at their non discounted values. For those entitlements not expected to be paid within 12 months, the liabilities are recognised at their present value, calculated using yields on Fixed Rate Commonwealth Government bonds of similar maturity. Long service leave has been recognised based on the likelihood of employees' reaching 10 years of continuous service.

History to date indicates that on average, sick leave taken during the period is less than the entitlement accrued. This is expected to continue in future periods. Accordingly, it is unlikely that existing accumulated entitlements will be used by employees and no liability for unused sick leave entitlements is recognised. As sick leave is non-vesting, an expense is recognised for this leave as it is taken.

#### **Retirement benefit obligations**

Employer superannuation contributions are paid to employees' nominated superannuation fund. Contributions to superannuation funds are recorded as they become payable and the company's legal or constructive obligation is limited to these contributions.

#### 17 Risk Management Framework

#### Risk exposure and risk management strategies

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: currency risk and interest rate risk.

The Company does not trade in foreign currency and is not exposed to commodity price changes or other market prices. The Company does not undertake any hedging in relation to interest risk and the impact of interest rate movements is not material.

Credit risk is the risk that the Company may incur financial loss as a result of another party to a financial instrument failing to discharge their obligation.

The maximum exposure to credit risk at reporting date is the gross carrying amount of receivables. No collateral is held as security and there are no other credit enhancements relating to receivables held by the Company. The Company reduces exposure to credit risk by monitoring the collectability of outstanding amounts on a regular basis.

Liquidity risk refers to the ability of an entity to meet its obligations associated with financial liabilities. The Company manages liquidity risk by continuous monitoring of cash flows.

Brisbane City Council has also agreed to provide ongoing financial support to the Company. This is evidenced through Brisbane City Council 2021-22 Annual Plan and Budget which include the following projects:

Project	2021-22	2022-23	2023-24	2024-25
	\$000	\$000	\$000	\$000
Brisbane Sustainability Agency Pty Ltd - Operations	585	589	600	622
Green Heart Communities	338	344	351	363
Green Heart Sustainability Events	585	586	594	613

The Company reduces the exposure to liquidity risk by ensuring the Company has sufficient funds available to meet employee and supplier obligations at all times. This is achieved by ensuring that minimum levels of cash are held within the various bank accounts so as to match the expected duration of the various employee and supplier liabilities.

#### 22 Events Occurring After the end of the Reporting Period

On 18 June 2021, Brisbane Green Heart CitySmart Pty Ltd amended its name to Brisbane Sustainability Agency Pty Ltd as the first step towards the merge of existing Council-owned entities, Brisbane Green Heart CitySmart Pty Ltd and Oxley Creek Transformation Pty Ltd, to collectively supercharge Council's long-term plan for a green, green and sustainable Brisbane.

In the 2021/22 financial year, Brisbane Sustainability Agency Pty Ltd will continue to progress the processes required to complete the merge with the transfer of net assets and activities of Oxley Creek Transformation Pty Ltd to Brisbane Sustainability Agency Pty Ltd. This process is expected to be completed by 30 June 2022.

From the perspective of BSA, the transfer of any assets and activities from OCT will be in the nature of 'contributions by owners' as it will create a further residual interest for the BCC in the net assets of BSA. Accordingly, on recognition of any assets or liabilities transferred from OCT to BSA, BSA will recognise a corresponding contribution by owner directly in equity. While the merger with OCT will result in an increased level of operations for BSA, it is not expected to have a material impact on the financial statements.

Except for the above, no matters or circumstances have arisen since 30 June 2021 that will significantly affect, or may significant affect:

- a) the company's operations in current and future financial years, or
- b) the results of those operations in current and future financial years, or
- c) the company's state of affairs in current and future financial years.

#### DIRECTORS' DECLARATION

The Directors of the Company declare that:

- 1. The financial statements, comprising the statement of comprehensive income, statement of financial position, statement of cash flows, statement of changes in equity, accompanying notes, are in accordance with the *Corporations Act 2001* and:
  - (a) comply with Australian Accounting Standards and the *Corporations Regulations 2001*; and
  - (b) give a true and fair view of the entity's financial position as at 30 June 2021 and of its performance for the year ended on that date.
- 2. In the Directors' opinion, there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors:

### **INDEPENDENT AUDITOR'S REPORT**

To the Members of Brisbane Sustainability Agency Pty Ltd

### Report on the audit of the financial report

### Opinion

I have audited the accompanying financial report of Brisbane Sustainability Agency Pty Ltd (the Company).

In my opinion, the financial report:

- a) gives a true and fair view of the Company's financial position as at 30 June 2021, and its financial performance and cash flows for the year then ended
- b) complies with the *Corporations Act 2001*, the Corporations Regulations 2001 and Australian Accounting Standards.

The financial report comprises the statement of financial position as at 30 June 2021, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes to the financial statements including summaries of significant accounting policies and other explanatory information, and the directors' declaration.

### **Basis for opinion**

I conducted my audit in accordance with the *Auditor-General Auditing Standards*, which incorporate the Australian Auditing Standards. My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of my report.

I am independent of the Company in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code and the *Auditor-General Auditing Standards*. I am also independent of the entity in accordance with the auditor independence requirements of the *Corporations Act 2001*.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

### Responsibilities of the Company for the financial report

The Company's directors are responsible for the preparation of the financial report that gives a true and fair view in accordance with the *Corporations Act 2001*, the *Corporations Regulations 2001* and Australian Accounting Standards, and for such internal control as the Company's directors determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

The Company's directors are also responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

### Auditor's responsibilities for the audit of the financial report

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Company.
- Conclude on the appropriateness of the Company's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. I base my conclusions on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

I communicate with the Company's directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.
