

Paddington Terraces Village Precinct Project

Paddington Terraces *Kooka!* Trail

The Paddington Terraces *Kooka!* Trail will lead you on a creative placemaking trail along the Paddington terraces, celebrating their unique character and heritage, encouraging exploration and creating an inviting and distinctive centre.

Kooka! is an ode to the iconic native Australian kookaburra and its place within the Paddington neighbourhood. Its call spreads throughout the suburb, from a low hiccuping chuckle, then throwing its head back in playful raucous laughter, a friendly reminder that nature is all around us.
